

Description

With its curvaceous form and contrasting sharp edge detail; the Ovo basin is a beautiful contradiction. Together, this refined bowl and flip waste are designed to capture and retain water; making the Ovo basin an ideal choice for everyday bathing.

Care & Maintenance

The Ovo washbasin is made with Corian® by Du Pont. Corian is a trouble free surface that enjoys amazing practicality. The performance benefits of Corian® - cleaning convenience is a bonus, the stain resistance, hygienic properties and durability of the material means the basin is truly the essence of form and function.

For general cleaning use a cloth/sponge and warm soapy water, for stubborn stains use a damp cloth/sponge a mild abrasive cleanser this will ensure your Corian surface sparkles.
